

Lee Notes

Notes for 8/16/2018 UMM meeting

- Need 15 official attendees (owners, renters - not guests or kids); must sign in
- Budget will be proposed then approved

Talking points:

- In October of 2017 Danbury's new Grand List of Assessed Values was in effect
- 2018/2019 bills are based on Danbury's updated Grand List
- UMM total value increased by about ½ million - to keep total taxes approximately the same for the community mil rate dropped.
- Bills are fairly close to prior years unless there was a significant change in a house's relative value (addition, major renovation, etc) and town increased value a lot
- All people behind on their bills will get a reminder then liens;
